

## Product Name

H-Go -40°C Windshield Washer

## Package style available

Size	Product Codes
3,78 L	62-00066-316
208 L	62-00066-308
1250 L	62-00066-D13 (with deposit)
	62-00066-D23 (without deposit)
Bulk	62-00066-000

## Introduction

H-Go -40°C Windshield Washer fluid is specially formulated with methanol and specific detergents. It is designed to improve visibility and road safety without leaving streaks. It protects washer mechanism down to -40°C

## Characteristics

- All seasons;
- Mixes with any other color of windshield washer fluid;
- Protects the windshield against freezing down to -40°C ;
- Helps repel road grime.

## Instructions

Pour into the appropriate tank of the vehicle. Apply generously to the windshield using the device.

In winter conditions, always make sure the windshield is as warm as possible to maximize the performance of the windshield washer fluid.

## Caution

Never add water to the product, diluting will reduce its properties.
